Dear Mr Khan

[REDACTED]
Appeal to be settled by agreement

The above appeal was passed to me to prepare a Statement of Case.

However, having looked again at all the facts and circumstances and your representations HMRC now agree to credit the input tax on [REDACTED], the only matter still in dispute.

I enclose a copy of my letter to the Tribunal confirming this together with hard copy of my email to them.

As noted in that letter, Officer [REDACTED] will shortly issue an agreement notice under Section 85 Value Added Tax 1994.

If you write to us please address your correspondence to Solicitor's Office & Legal Services at the address above. If you don't use the correct address details we may not receive your letter.

Yours sincerely
